Honored Guest Speaker - Deborah Olive Moran
presenting

Benjamin Franklin
And the
American Revolution

Deborah Olive Moran taught high school English, drama and journalism/yearbook in New Mexico, for 31 years. She is 10 years old in TXDAR, having moved from New Mexico, to Texas, after she and her husband retired. She is currently serving as **TXDAR American Indians Committee Chair**. Her favorite past time is researching, preparing and presenting historical, first person reenactments and she currently has a repertoire of 15 characters/real people of many different eras. She will become Dr. Benjamin Franklin (one of her most popular personas), for us today. Do not be surprised if Abigail Adams makes an appearance, also.
