Member Contact Change Form — To be used by Texas SAR members for change of mailing address, email address or phone number.

Member Chapter Change Form — To be used by Texas SAR members for change of chapter within Texas SAR (NOT between states).

Compatriot Death Report — To be used when a Texas SAR member passes away.

New Chapter Officers Report — To be completed and filed within 30 days of the election of new chapter officers each year. This is a VERY important form — it determines who gets new member packets and mail for your chapter and all points of contact for specific actions.

Form 918 (Reinstatement/Transfer) - This form is required to reinstate a member who has not paid dues for over a year (i.e. the previous calendar year) within the same state. There is no reinstatement fee, but current Local Chapter, Texas SAR and NSSAR fees are required. Application and checks are mailed to the state secretary. The same form is used regardless of whether the reinstatement is from within or outside the State of Texas.

Form 919 (Transfer Membership Between States) - This form is required when a member wishes to transfer their primary state membership from one state to another. It requires the signature/approval of the original state secretary. Once this is obtained, the application, Local Chapter, Texas SAR and NSSAR fees AND a Record Copy are forwarded to the receiving state secretary who reviews and approves it and sends it on to NSSAR.

Form 920 (Application for Dual Membership) - This form is required when a non-Texas SAR member from another state desires to join the Texas Society as a dual member (NOT a transfer).

Texas SAR Fee Schedule — List of all fees required for NSSAR and Texas SAR based on chapter and activity. No matter what you are trying to do — you will find how much it costs here customized for your own chapter.
